Agenda Cover Memorandum No.: 23334

Staff Recommended Motion:

Approve Resolution No. 95-21.

Background:

The City of West Palm Beach continues to strive to be a leader in sustainability and best practices. For the past several years, the framework for measuring the City's achievement in this realm has been the STAR Communities program in which the City of West Palm Beach was recognized as a "Four Star Community" in 2016. At the time, STAR was the country's leading program for evaluating local sustainability through performance measures. In 2018, the STAR Communities organization merged with the USGBC (US Green Building Council), which created the LEED for Cities and Communities program. LEED for Cities and Communities is now the leading global rating system and certification program for evaluating the sustainability and quality of life in a city or community. It serves as a catalyst toward more sustainable, equitable, and resilient communities and provides a clear data-driven approach to benchmarking and communicating progress.

The 2021 LEED for Cities and Communities Grant Program (Program) convenes a cohort of U.S. local governments committed to certifying in LEED for Cities and Communities and accelerating progress on climate change, social equity, and resilience. The Program is defined as consisting of: i) a training and education package that included a dedicated USGBC staff liaison providing project management, coaching support, and technical assistance; ii) a one (1) year USGBC membership at the Silver level; iii) a waiver of the LEED for Cities registration fee; and iv) a waiver of the LEED for Cities and Communities certification fee. The Program will provide valuable tools and networking opportunities for the City as it strives for continuous improvement and best practices in all its operations.

The deadline for the City to accept the grant and return the signed agreement was April 15, 2021. In order to meet this deadline, the Mayor signed the Grant Agreement. Resolution No. 95-21 ratifies the Mayor's acceptance of the Grant.

These funds are solely to be used for program enhancements, staff development, and staff recognition.**

RESOLUTION NO. 96-21(F): A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF WEST PALM BEACH, FLORIDA, AUTHORIZING THE APPROPRIATION OR TRANSFER OF CITY FUNDS IN FISCAL YEAR 2020/2021 IN ACCORDANCE WITH SECTION 4.03 OF THE CITY CHARTER OF THE CITY OF WEST PALM BEACH, FLORIDA, FOR THE PURPOSE OF AMENDING THE GENERAL FUND TO PROVIDE FOR THE RECEIPT AND APPROPRIATION OF THE IMOTIVATE INCENTIVE AWARD FROM PRIME TIME OF PALM BEACH COUNTY TO PROVIDE AFTER SCHOOL PROGRAM ENHANCEMENTS, STAFF DEVELOPMENT, AND STAFF RECOGNITION; PROVIDING AN EFFECTIVE DATE; AND FOR OTHER PURPOSES.

Agenda Cover Memorandum No.: 23335

Staff Recommended Motion:

Approve Resolution No. 96-21(F).

Background:

The iMotivate incentive program is a Prime Time strategy designed to further increase program quality within programs that participate in Prime Time's After School Quality Improvement System (QIS). The program is a performance-based recognition program that financially recognizes eligible QIS After School programs by giving an incentive award, based on merit, to reinvest back into the program. The award amount is based upon a tiered process through which a program demonstrates implementation of advanced youth development, staff development, and program management practices. These practices are in concert and direct relationship with a program's voluntary participation and work in Prime Time's QIS. Funding is provided by the Children's Services Council of Palm Beach County based upon availability of funds and performance.

This past year three of the City's After School Programs were eligible to receive an IMOTIVATE incentive award through Prime Time Palm Beach County's QIS incentive program. They each received a Tier "1" status in the QIS program, which requires programs to self-monitor as they have demonstrated a high level of quality programming and service delivery. When a program maintains "Maintenance" through PrimeTime's After School QIS, an incentive award is granted. iMotivate requires that the incentive award be spent on program enhancements, staff development, and staff recognition.

Gaines Park Community Center, Howard Park Community Center, and South Olive Park Community Center have been recognized as leaders in the Prime Time's Quality Improvement System and recipients of the incentive award. Gaines Park Community Center was awarded \$1,815; Howard Park Community Center \$2,250; and South Olive Community Center \$1,746.

Fiscal Note:

Upon approval, an additional \$5,811 will be added to the General Fund budget for after school program enhancements at Howard Park Community Center, Gaines Park Community Center, and South Olive Park Community Center.

ORDINANCE NO. 4943-21: AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF WEST PALM BEACH, FLORIDA, APPROVING A GROUND LEASE, DEVELOPMENT, AND OPERATING AGREEMENT BETWEEN THE CITY AND THE WEST PALM GOLF COMMUNITY TRUST, INC., FOR THE MUNICIPAL GOLF COURSE PROPERTY; AUTHORIZING THE MAYOR TO EXECUTE ANY DOCUMENTS NECESSARY TO EFFECTUATE THESE PURPOSES; PROVIDING AN EFFECTIVE DATE; AND FOR OTHER PURPOSES.

Agenda Cover Memorandum No.: 23340

Staff Recommended Motion:

Approve Ordinance No. 4943-21.

Background:

This Ordinance No. 4943-21, approving a long-term lease, was unanimously approved by the City Commission at First Reading on May 3, 2021, in compliance with Section 2-31(27) of the Code of Ordinances.

The City of West Palm Beach's municipal Golf Course property is a unique parcel of approximately 179 acres located just south of Forest Hill Boulevard, east of Interstate 95, west of South Dixie Highway and the Florida East Coast Railway line, and north of the Lake Worth "C-51" Canal.

The City of West Palm Beach desires to keep its public Golf Course open and offering public play to its residents at affordable rates, while also maintaining a world class golf facility that will attract new golf devotees and tournaments. Accordingly, on more than one occasion, the City sought proposals for a development agreement / lease for the West Palm Beach municipal Golf Course seeking the renovation and restoration of the municipal Golf Course with related development to attract new residents and visitors to the area and Golf Course. On each prior occasion, after significant time spent in negotiations, the City has been unable to finalize a development agreement / lease with a proposer.

Subsequently, the South Florida Section, Professional Golfers Association of America, Inc. ("SFPGA"), submitted an unsolicited proposal for the development of the Golf Course. SFPGA formed the West Palm Golf Community Trust, Inc. (the "Developer"), which is a not-for-profit corporation to be operated exclusively for charitable purposes within the meaning of with Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, with a primary purpose to develop, improve, maintain, and operate the West Palm Beach public golf course to provide affordable golf to residents of West Palm Beach, and to develop, improve, maintain, and/or operate recreational activities and facilities, such as municipal parks, nature trails, lakes, and golf courses, for use by the general public and to make charitable contributions toward other public needs. These uses and amenities have also

been vocalized by residents through numerous public engagement efforts that the City and SFPGA has undertaken.

Upon the Mayor's directions, negotiations were conducted, and by Resolution No. 346-20, the City Commission approved a Term Sheet with Developer for the redevelopment of the City's municipal Golf Course by the Developer, along with the construction of administrative offices for SFPGA. The City Commission further directed that a development agreement and lease, which provides financial protections to the City, be negotiated and brought back to the Commission for consideration.

LEASE TERMS: The significant terms of the negotiated Ground Lease, Development, and Operating Agreement include the following:

- **Term:** The lease term is fifty (50) years, with an option to extend the term for an additional twenty (20) years.
- **Golf Course:** Developer is to redevelop and construct the Golf Course with Florida friendly native trees and plants. The Golf Course will include a short course, putting course, practice range, and short game area. A new Clubhouse with a bar, dining facilities, full-service kitchen, and office space for the Golf Course operations will also be constructed. A Performance Center, which may include indoor/outdoor hitting bays, a teaching facility, club fitting and putting studio with computer technology and training aids, will also be developed as part of the Golf Course. The Concept Plan for the Golf Course is attached to this Ordinance.
- **SFPGA Offices:** A building for the SFPGA administrative offices for 15-20 persons will also be constructed and may be used for operating and managing community outreach programs, hosting events, fundraising activities, and children's program(s), along with the ability for future construction of a building to house the memorabilia collection of PGA of America.
- **Minimum Capital Contribution:** The Developer's investment into the Golf Course improvements shall not be less than Nine Million Dollars (\$9M).
- **Golf Course Operating Costs:** Developer shall be responsible for all operating and maintenance costs of the Golf Course, except for property insurance. City shall have no obligation for any operating deficit.
- **Schedule:** The intended schedule contemplates issuance of a Certificate of Occupancy for the Golf Course and Clubhouse by September 1, 2023, subject to reasonable causes for delay as provided in the Lease.
- **Resident Rates:** At all times, West Palm Beach residents shall receive a discount of not less than 35% off the prevailing highest, non-resident green fee rates for that day and time.

- Resident Tee Times: No less than 20% of the available tee times will be for City Residents on a monthly basis.
- Rent: \$1 per year.
- Additional Rent: After the first ten (10) years of operating the Golf Course, the Developer will pay Additional Rent to the City provided that: (i) the endowment of the Foundation is at least \$25M (as adjusted per the Lease); (ii) that the Foundation has budgeted and reserved for any required capital projects as determined by the Board of Directors of the Foundation; and (iii) that the Lessee has a positive net operating income in such year. In such circumstances, Lessee shall pay seventy-five percent (75%) of the excess operating income from the Golf Course as Additional Rent. The City may utilize the Additional Rent to fund capital improvement projects or programs related to the Golf Park, Mary Brandon Park, improvements to the public realm, streetscapes, hardscapes, public art, other enhancement improvements within one-half (½) mile of the Golf Park, or other City projects or programs mutually agreed to by City and the Developer.
- SB / MWBE Participation: The Developer is required to have small business and MWBE firms participate in fifteen percent (15%) of the construction contract value.
- Local Workforce: The Developer is required to have five percent (5%) of its construction workforce be City residents.
- City Obligations: The City will pay or waive, as applicable, various fees for the development, including but not limited to, application and development fees, impact fees, utility capacity and connection fees, water and connection fees, and property insurance for the Golf Course. The City will purchase title insurance for the leased property.

CONCEPTUAL PLAN: The Developer has also submitted its proposed Conceptual Plan for the Property for the City Commission's approval.

APPRAISAL: Section 2-31(27)(c) of the Code Ordinances eliminates the requirement for appraisal of the property to be leased if the lessee is a bona fide not-for-profit 501(c)(3) corporation. The Developer meets this requirement, so appraisal of the property was not required.

Ordinance No. 4943-21 approves the Ground Lease, Development, and Operating Agreement with West Palm Golf Community Trust, Inc. and approves the proposed Concept Plan.

Fiscal Note:

Rent of \$1 per year. Additional rent may commence after ten (10) years of Golf Course operations and may vary based on whether excess revenue is generated. The City will not be responsible for Golf Course operating costs.
