**Background Information:**

On September 8, 2022, the first public hearing was held and the City Commission approved the tentative millage rates and operating budget.

Section 200.065 Florida Statutes requires that a taxing authority hold two (2) public hearings to adopt the annual operating budget. At the First Public Hearing held on September 8, 2022, the City Commission commented on the budget and then adopted a tentative millage rate and tentative operating budget.

Today's second public hearing was noticed by publication in the Palm Beach Post on September 18, 2022. The City Commission will hear public comment on the millage rates and the budget, and may make revisions

prior to final adoption of the millage rates and the budget for the fiscal year 2022/2023.

Resolution No. 253-22(F) adopts the FY 2022/2023 final ad valorem millage rates of 8.1965 for operating purposes and 0.0812 mills for debt service on voter approved general obligation debt for an aggregate millage rate of 8.2777. The operating millage is 8.49% above the “rolled-back rate” of 7.5004.

Resolution No. 252-22(F) adopts the final estimates of revenue and expenses for the fiscal year commencing on October 1, 2022, and ending on September 30, 2023, as its annual budget, appropriating the use of funds therein as may be needed or deemed necessary to defray all expenses and liabilities of the City for such fiscal year.

The total citywide budget for all funds is \$658,705,191 (excluding the CRA and ECR) for the fiscal year 2022/2023. The operating millage mentioned previously relates only to the General Fund budget, which totals \$225,437,742. The budget is balanced on the millage rates discussed above.
