WIN PRIZES!

Imagine a Day Without Water Bingo

We invite you to take part in Imagine a Day Without Water, a national education campaign that brings together diverse stakeholders, like YOU, to highlight how water is essential, invaluable, and in need of investment.

Celebrate our city’s clean water with these fun activities. Complete any row for BINGO, or complete the whole card to be a water conservation super star!

Visit the **Grassy Waters Preserve Nature Center** to claim your prize.

Take a picture of an animal that swims.	Look up the size of Grassy Waters Preserve (your drinking water source).	Take a picture of a wetland scene at Grassy Waters.	Request native plant seeds from Grassy staff to start a drought-tolerant garden.	*Watch a Science in Sixty Seconds video from Grassy Waters Preserve.
Water your garden with rainwater instead of the hose.	Turn off the faucet when brushing your teeth.	Run the dish washer only when you have a full load.	*Watch the Grassy Waters Earth Day Watershed Activity on YouTube.	Learn the water cycle.
Spot a frog or a turtle that uses water as its habitat.	Pick up five pieces of litter that could end up in our waterways.	 FREE Imagine a Day Without Water October 20, 2022	Set a timer to take showers that are less than 10 minutes.	Take a selfie with a reusable water bottle. Tag @WPBgreen & Grassy Waters.
Hike the Eagle Loop or Hog Hammock trail at Grassy Waters Preserve.	Post a picture of you conserving water. Tag @WPBgreen & Grassy Waters.	*Visit one of our Imagine a Day Without Water local coffee shop partners!	Learn what canal takes water from Grassy Waters to Lake Mangonia.	*Get a rain barrel.
Check all your faucets for leaks.	Learn how much of the water on Earth is freshwater.	Only water your lawn if it hasn't rained for three days.	List three water activities you couldn't do if the water was polluted.	Store water in jugs instead of buying plastic bottles for emergencies.

*visit wpb.org/ourwatershed for these links and more info!
