

WEST PALM BEACH

Virtual Public Meetings

Access to the Meeting

The City of West Palm Beach is using Zoom to hold the April 6, 2020 Virtual City Commission and CRA meetings. Zoom is a cloud platform for video and audio conferencing, collaboration, chat, and webinars across mobile devices, desktops, telephones, and room systems. In order to ensure that the public has the ability to view the meeting, the City's Communication's Department will broadcast the meeting through all the usual channels and avenues that are provided when a City Commission meeting is held fully in Commission chambers at City Hall. The meeting can be viewed using the following 4 options.
